Financial Times

A beginner's guide to pensions. First published 09 January 2014 · Updated 02 July 2019 Don't think you need a pension? Unsure what happens to your contributions? Andrew Colyer-Worsell guides you through the basics. What is a pension? A pension is a savings plan with special tax benefits designed to build a fund at retirement.

FT Series | Financial Times

However, you might be entitled to more than this if you have built up entitlement to "additional state pension" under the old pre-April 2016 system · or less than this if you were "contracted out" of the additional state pension. For more information see our guide on the State Pension.

Personal Pensions - Which?

A personal pension builds up a retirement savings pot, the value depends on how much you've paid in over the years and how your investments have performed. Your payments are invested in funds, which are put into assets such as stocks and shares and are usually spread across different investments to help increase the chance for growth.
